To W.O.W! Performance Applicants

February 2010

Dear Friends,

Thank you for showing interest in performing at this year's summer concert series Wednesday On the Wharf (WOW!) which will consist of thirteen Wednesdays – running from June to August. All dates are listed on the attached application form.

To help with selecting and scheduling, will you please return the enclosed form by mail or hand to our office by April 15, 2010. Please ensure that you answer all appropriate questions.

If you are a new performer to this program, or your group has changed, we would appreciate receiving current information such as a biography, music style, size of group, new CD.

After reviewing the applications, our Coordinator will draw up a schedule to produce a balance of music styles over the season. We will try to accommodate your date preferences.

Once the schedule is drafted and dates confirmed, a performer's contract and a copy of the policies related to our concerts will be forwarded to you. Some of the policies include:

- "For all programs promoting or show-casing artists, the Arts Council...shall give promotion preference to current members"
- Concerts are 7:00 - 8:30 pm
- Performers MUST arrive at the gazebo to set up no later than 6pm
- Specific policies that relate to cancellations due to inclement weather.

We look forward to your being part of our 17th season.

Yours sincerely,

Board of Directors
Shuswap District Arts Council
